FOUNDER & CEO

LEELA QUANTUM TECH[®]

QUANTUM UPGRADE[®]

PHILIPP SAMOR VON HOLTZENDORFF-FEHLING

COACH, CONSCIOUS ENTREPRENEUR AND ENERGY HEALER.

During his business career, he worked as an executive at T-Mobile International and T-Mobile US, where he served as Vice President.

In parallel to a successful international business career, he constantly worked through blockages that prevented him from connecting with his true self.

Now he's the founder and CEO of Leela Quantum Tech and Quantum Upgrade, companies that help people feel better and live longer.

Philipp is not only a conscious entrepreneur and a bio-energy hacker, but also a kundalini yoga teacher, a father of two, who loves dogs, and he's also ranked #1 in the US in tennis (Men 50+).
